

Dear CSA shareholder,

As a member of The Food Project CSA you have willingly joined a community which creates a transformative experience for thousands of youth and adults each year on our farm, runs farmers markets in urban food deserts and distributes 20% of the harvest to various hunger relief efforts in the greater Boston area. We believe that **everyone** should have access to healthy, fresh produce. By supporting The Food Project CSA you are helping to achieve this goal while also receiving top quality vegetables for your family.

In order to offer you the best CSA experience and continue our Mix and Match choice system, we are requiring members to choose one pick-up day for next season. Knowing exactly how many members we are expecting each pick up day will allow us to better plan the harvest and avoid running out of some items by the end of the day. **Please choose either Tuesday or Thursday as your pick-up day for next season.**

Please take this opportunity to renew your membership for next year before we offer spaces to the public and those on our waiting list. **There will be a \$30.00 discount if you send in your deposit before December 1, 2009.** The minimum deposit due is \$50.00. You are an active member in your local sustainable food system and we thank you for your support!

Sincerely,
The Farm Staff
Miriam Stason, Karen Pettinelli, Cecilia Duran, Steve Munno and Kate Mrozicki
