

# Earn More SNAP Dollars

## SNAP → HIP

If you have SNAP, you have  
Healthy Incentives Program (HIP).

How much you'll get back, based on household size:

**\$40**

1-2 people

**\$60**

3-5 people

**\$80**

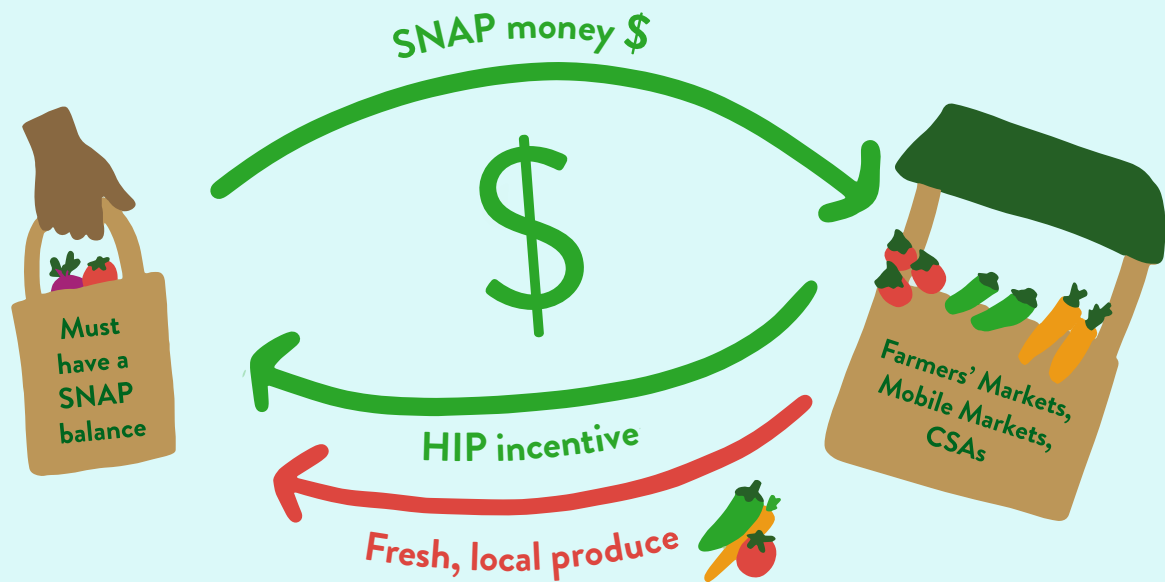

6+ people

“It provides us with so much help. We like this program because for older people like me and families with small children, food stamps are not enough. It’s a long month. We need fresh fruits and vegetables.”

- SNAP/HIP Customer

# How HIP Works:

**1.**

Find a place to use HIP: farmers' market, mobile market, farm stand, CSA.

**2.**

Use your SNAP benefits as you normally would at any store that accepts SNAP.

**3.**

Money is immediately returned to your card!

To learn more about HIP and other food resources in your community, please visit our website.
